

NOTICE D'ASSEMBLAGE POUR CHARIOT HIPPOMOBILE - Réf : HV 02 -

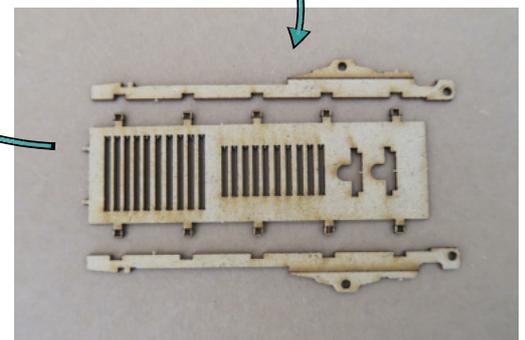

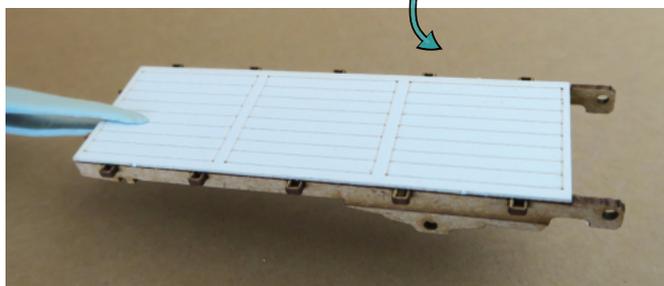

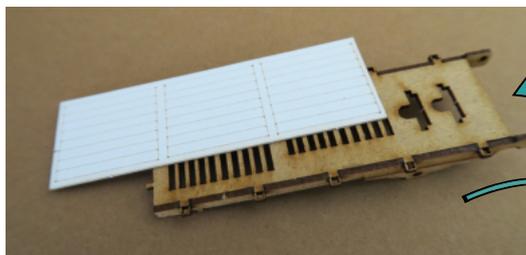

Chaque roue est composée de sept pièces

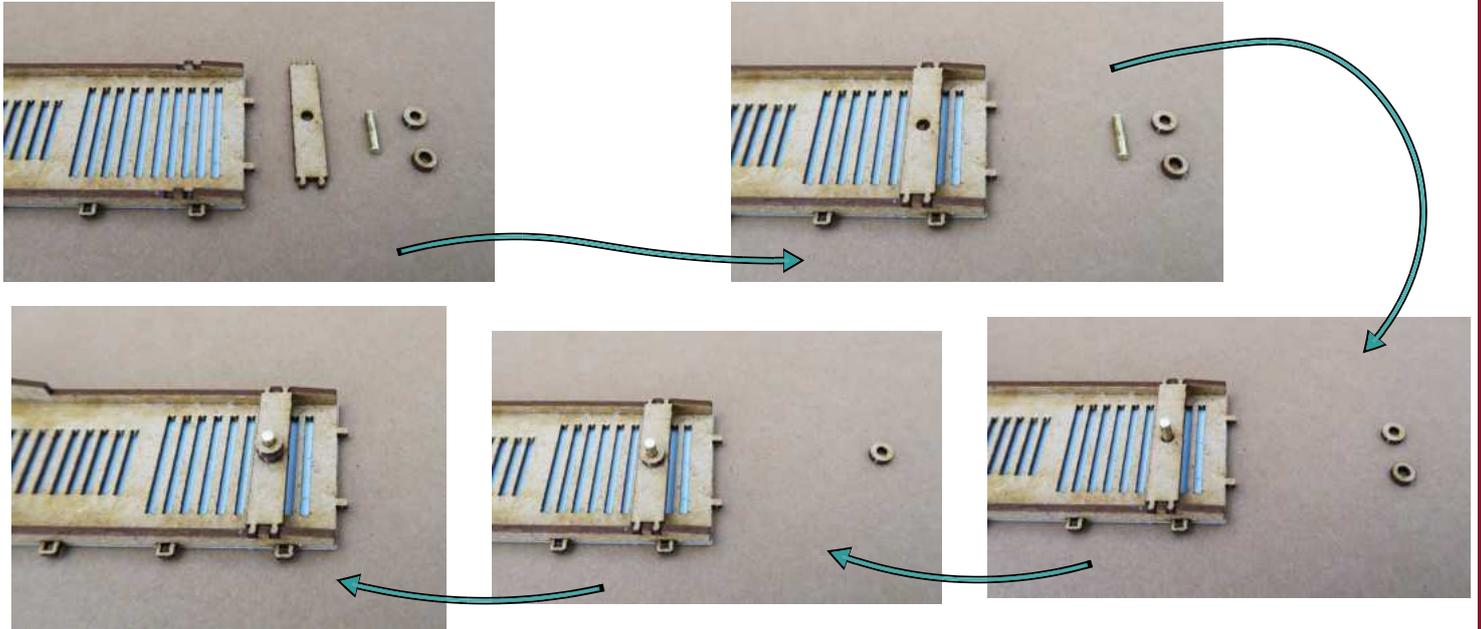

Avant la mise en place de cette plate-forme, vous pouvez approfondir les traits de gravure avec une pointe à tracer, pour donner plus de relief au plancher.

Toutes ces pièces sont détachées du châssis avant la mise en place de la plate-forme en carton

SUPPORT DE L'ESSIEU AVANT

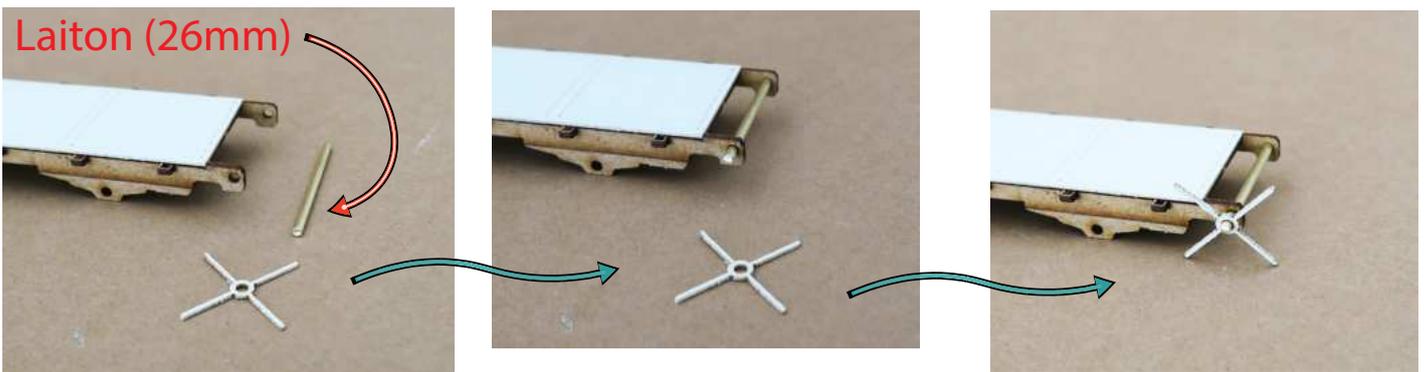

ESSIEU AVANT

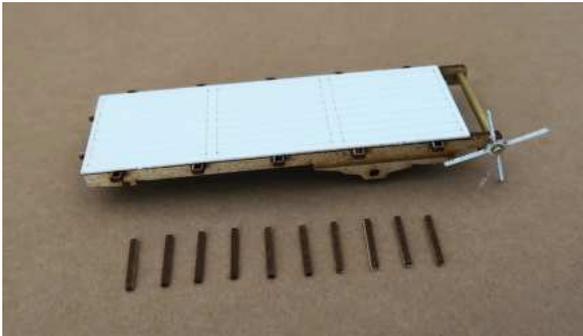

Laiton (31mm)

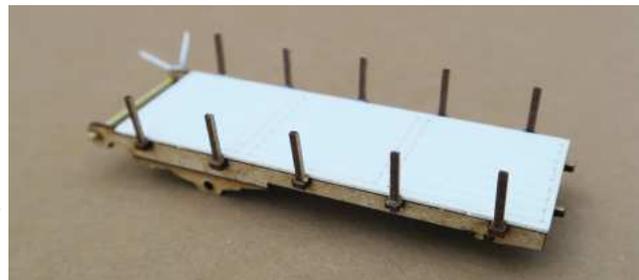

TENDEUR (chaîne ou corde non fournies) ET RANCHERS

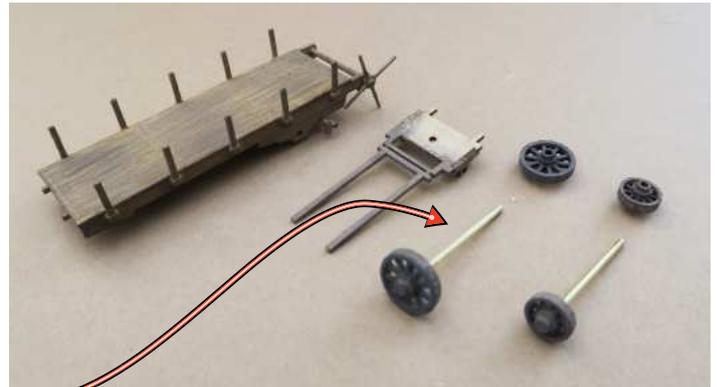

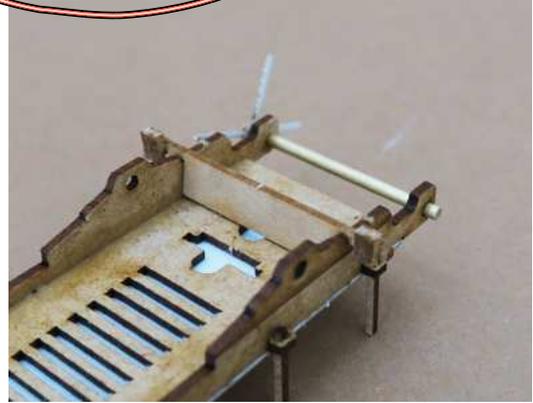

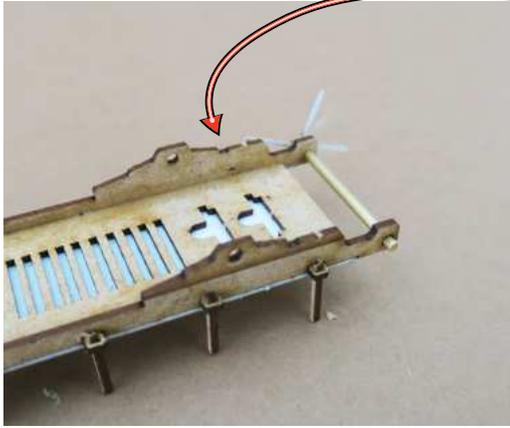

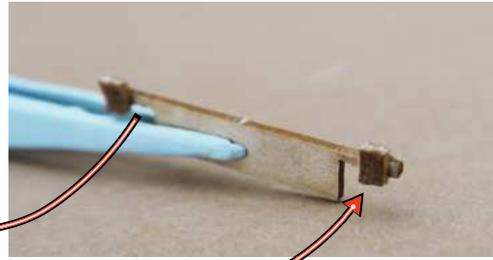

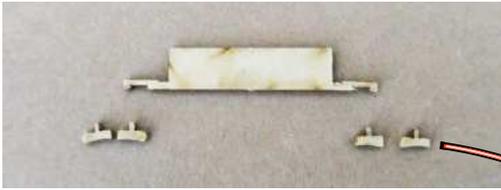

Laiton (26mm)

Deux hauteurs de ranchers, au choix

FREIN DE L'ESSIEU ARRIERE

Essieu arrière, laiton (35 mm)

Les tracés de la plate-forme en carton sont repris en brun foncé + ocre rouge foncé pour figurer l'armature métallique du plateau
